Ms. Linda Heron
Chair
Ontario Rivers Alliance

Dear Ms. Heron:

Thank you for your letter regarding a provincial strategy on waterpower development. I appreciate receiving this information.

I have noted the elements that the Alliance is proposing for inclusion in the strategy, and your views are being given serious consideration.

Knowing the Alliance's perspective is valuable to me and to ministry staff as we continue to work hard to ensure that our province has reliable, sustainable and greener sources of energy for this and future generations.

I have asked for a review of your strategy and will reply to you in more detail once our review is completed. In the meantime, I wanted you to know that I received and appreciated your correspondence.

Thank you again for writing.

Sincerely,
